Car Audio AUX Cable
for your iPad/iPhone/iPod
AXC1000

The AXC1000 connects your iPad/iPhone/iPod to your car's auxiliary connector. The slim connector connects to most MP3 players and the gold-plated metal connectors ensure a solid high quality sound.

- Plugs into your car's AUX (auxiliary) connector for high quality sound
- The slim connector is designed to fit easily into the 3.5mm stereo jack, even if the iPad/iPhone/iPod is in a protective case
- Gold-plated metal connectors ensure a solid high quality connection
- Slim line connector molding, specially designed for use with MP3 players, tablets, phones, or any device with a standard 3.5mm jack
