

# Hard Drive Docking Station

CDD1100

The CDD1100 Cirago Hard Drive Docking Station is a simple and convenient must-have product for anyone that has spare hard drives lying around.

It provides an easy solution for swapping or adding hard drives to your computer, with the flexibility of using 2.5" or 3.5" SATA I/II hard drives, and without the inconvenience of opening up your computer or buying several hard drive enclosures.

The one touch backup button on the dock allows you to backup specified folders through the included PC Clone EX Lite software.
