

miniDP to HDMI / VGA Display Adapter

DPM2HDMVGA

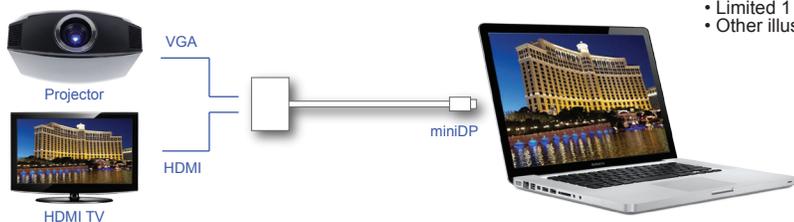

Description

- This Cirago adapter conveniently connects your miniDP laptop/PC (MacBook Pro®, etc) to an HDMI or VGA video display (HDTV, monitor, projector, etc)
- Note:
 - when both the output HDMI and VGA ports are connected the video source will be output from the adapter's HDMI port and not the VGA port
 - To use the VGA output, disconnect the HDMI cable from the adapter's HDMI port.
- Ideal for mobile travel or at home/office.
- Simple and quick to use
- No installation software or drivers required - providing a simple plug-and-play solution
