

# USB Sync/Charge Cable Kit

IMA1000

Made for

iPod

iPhone

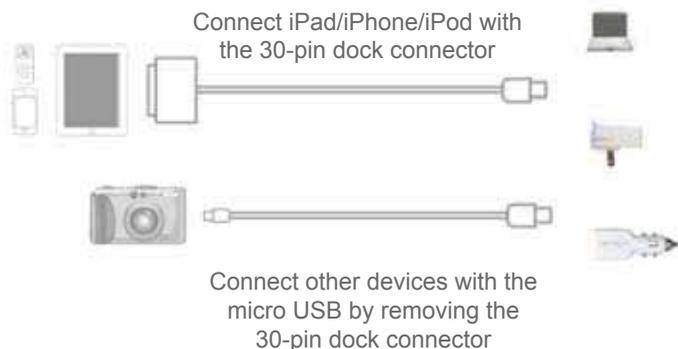

iPad

Say goodbye to the tangled mess of multiple sync/charge cords with Cirago's new USB Sync/Charge Cable Kit (IMA1000), a new multi-platform sync/charge solution.

Featuring a removable micro-USB to 30-pin adapter, the kit includes a 6-foot cable with USB 2.0 interface to sync or charge your iOS devices as well as virtually any micro-USB devices at home or at the office—the perfect solution to end cord clutter.

The IMA1000 is MFI certified by an Apple approved testing facility and bears the Made for iPod, iPhone and iPad authentication.
