

USB 3.0 to HDMI Display Adapter

UDA3000

Stream content to any HDMI or DVI equipped display at up to 5Gbps USB 3.0 SuperSpeed with the new UDA3000 USB 3.0 to HDMI Display Adapter. The latest upgrade to Cirago's HDMI display adapter supports video resolution up to 2048x1152 at 32-bit color to stream HD-quality video and digital audio (via HDMI). Use your existing PC's graphics card and built-in stereo audio to connect as many as six UDA3000s to six external display monitors. With easy setup and three display modes to choose from (Mirrored, Extended or Rotation), the UDA3000 features a high-performance DisplayLink Certified chipset and is USB-powered with no additional power adapter required.
